## SUMMER CAMP – SCHEDULE

### 2024

**1. Weekly Schedule**

- MONDAY** We will take a public transport (bus) to reach the Municipal Swimming Pool where we will stay for a couple of hours. Around 12:30, we will move to Toti Park where our cook will join us with lunch that we will have under the cherry trees. Free play after lunch, we will play freely before returning to school, by public transport.  
 Children under the age of 3 will do the same activities in the school garden.
- TUESDAY** In the morning, children will be involved in creative activities. After snack time, we will move to the garden to cool off with water games. In the afternoon, while the younger children nap, the older ones will continue with workshop activities.
- WEDNESDAY** After a walk through the park near by the school, we will reach the Country Club to spend the morning playing on the sand or to the Tilane Library to do some workshops. We will return to school for lunch. In the afternoon, while the younger children nap, the older ones will be involved in new activities.
- THURSDAY** Same as Tuesday.
- FRIDAY** Every Friday, we leave for a different destination! Find out where in the next pages..

# Jungle Raider Park

**Friday, July 5**

**Meeting at school 8:30 a.m.**

**Return to school 4:30 p.m. approx.**

## **Caglio (CO)**

Fun, adventure, courage and lots of excitement. Jungle Raider Park offers unique and unforgettable moments, thanks to structured trails on lianas, ropes and passages suspended in the air, as well as routes built on trees and arranged in fantastic coniferous forests, totally immersed in nature and tackled in complete safety.

Lot of laughs and zero risks thanks to the constant presence of instructors and the best equipment. Your only worry will be to have fun!

*"The Caglio park is built in such a way as not to damage the trees and the surrounding nature, respecting the green and acting in an environmentally sustainable way is a great commitment of ours."*

# Paradiso Fish Park

**Friday, July 12**

**Meeting at school 8:30 a.m.**

**Return to school 4:30 p.m. approx.**

## Zelo Buon Persico (LO)

Paradiso Fish Park is a 13-hectare natural oasis nestled in a forest of about 9,000 plants. The spring water channels are home to about 20 species of freshwater fish. The park's special feature are the underwater observatories that allow the fish to be observed in their natural environment without disturbing them. The park is also home to a small farm as well as deer, deer, squirrels.

## Educational activity:

In the morning, the children will visit the park with a guide. In the afternoon, each child will have the opportunity to build their own pond, observing firsthand the living beings that surround it. Using key topological concepts, we will together create a large pond, placing all the known protagonists according to a predetermined scheme.

# Her Majesty's Falconers

**Friday, July 19**

**Meeting at school 8:30 a.m.**

**Return to school 4:30 p.m. approx.**

## **Gessate (MI)**

The Rio Vallone Park is a natural area located in Gessate, in the province of Milan. It is known for its variety of flora and fauna. Inside the park, you can find the "Kingdom of Raptors," a center dedicated to the conservation and observation of birds of prey, managed by expert falconers: Her Majesty's Falconers. The Center is also a certified raptor breeding center.

## **Educational activity:**

Accompanied by Her Majesty's Falconers, we will visit the estate to discover all the secrets of the world of raptors. We will feed them, pet them, and discover what makes them unique. With the help of our guides, we will wear the glove and try to welcome a bird of prey in flight! After lunch, we will play lots of games in the company of... hawks, owls, and vultures!

# Volandia Museum Park

**Friday, July 26**

**Meeting at school 8:30 a.m.**

**Return to school 4:30 p.m. approx.**

## **Somma Lombardo (VA)**

From the recovery of the historic Aeronautical Workshops Caproni founded in 1910 in Malpensa, Volandia is born: a Museum Park dedicated to the "dream of flight," with numerous spaces - both outdoor and indoor - dedicated to children.

At Volandia, you are immersed in the history of the challenge between man and sky and the men who made the dream of flying possible.

## **Educational activity:**

Accompanied by a guide, we will uncover all the secrets of flight and how we have learned to overcome obstacles.

On board a helicopter or an airplane, through an exciting story, the little ones will travel with their imagination into the magical world of flight.

The older ones will challenge themselves in a fun treasure hunt, among vintage airplanes and space rockets.
